Messrs. Procter & Gamble:

"The sample of Ivory Soap received from you is an excellent Laundry Soap of more than average cleansing power. The soap is also very well made, as greasy fats being left in it, while the alkali is thoroughly combined so that it will not injure the most delicate fabrics. Very respectfully yours,

H. B. CORNWALL, *Professor of Chemistry.*

A WORD OF WARNING.

There are many white soaps said represented to be "just as good as the 'Ivory'," they ARE NOT, but the ignorant suffer, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.
